

Candidate for Member of Council

PHILIPPE J. BREAU

Jules J. Breau and Son Ltd

Commission 2002

CLS, ALS, NBLs, PEng

Néguac, NB

CAMPAIGN STATEMENT

As the son of Jules J. Breau, NBLs, I have spent most of my life around land surveying. While I articulated in Alberta under Herb Kiel, CLS, ALS, my experience was mostly in the oil and gas sector, with extensive field experience in remote (bush) areas of Alberta. In Grande Prairie, AB, I started and managed a fully staffed branch office with a staff of up to thirty employees. I had the opportunity to work on the Nunavut Land Claims in Hall Beach, NU (1998), Pelly Bay (1999), and Pangnirtung, NU, (2000), under the supervision of Daniel Lachance, CLS, ALS.

In New Brunswick, our company mainly services the northeastern part of the province. Our work includes small scale subdivisions, boundary retracements, crown leases (aquaculture, blueberry, and campsites) and surveys on Canada Lands (Indian Reserves and National Parks). I am very passionate about our profession and I believe my experience would be an asset on Council.
