

Steve Minnie

Steve began his surveying career in 1982 as a summer job in small town eastern Ontario, with many fond memories of cutting line through hip-deep swamps and the pleasant sounds of deer fly buzzing around. Steve pursued formal survey training and graduated from the University of Toronto in 1988 with a Bachelor of Science in Survey Science. He articulated to Dieter Eberhardt in Napanee Ontario and earned his Ontario Land Surveyor licence in 1991. Shortly after, Steve moved to Fort Frances, in Northwestern Ontario and with the support of his mentor, Jim Bowman, managed a small survey office until 1997, when he moved west to work on Vancouver Island. Steve earned his Canada Lands Surveyor licence in 1995 and his BC Land Surveyor licence in 1998. In 2000 he joined the Surveyor General Branch as a project surveyor working on legal surveys throughout British Columbia. In 2006 he became the manager of the BC Regional Office and in 2016 he was appointed as the Deputy Surveyor General for western Canada.
