

CAREER OPPORTUNITY

POSITION TITLE CAD Operator

STATUS Full Time, Permanent

LOCATION Vancouver, BC

The Opportunity

McElhanney has an exciting opportunity for a CAD Operator to join our growing team in Vancouver, BC. We are seeking a strong communicator who has excellent drafting skills and experience with AutoCAD Civil 3D. As a true team player, you will have to the opportunity to collaborate with a multidisciplinary team of technologists, EIT's, and project managers on a variety of innovative and rewarding Survey and Geomatics projects.

Our Vancouver office has well-established teams and top tier clients that bring us diverse projects, giving you the opportunity to make an impact in your local community. We offer a welcoming culture which allows staff to learn, grow, and build meaningful relationships. Most importantly, we have nurtured a fun and family like environment, making McElhanney a workplace where our staff choose to grow long-term careers. In addition, we have established programs that support the growth of our future leaders. We have built and sustained a reputation of taking great care in developing our people and fostering a positive, friendly, and rewarding work environment.

What You'll Be Doing

- Contribute to the cost effective and timely production of survey drawings and designs that include legal survey, topographic, bathymetry, engineering and construction layout plans.
- Interpret field data in order to create accurate survey drawings and legal plans, which will include downloading and editing field data, interpreting field notes and sketches, and processing conventional, GPS and point cloud data using primarily Civil 3D, as well as other technical software as needed
- Complete calculations as needed and prepare for drafting or client project reporting
- Collaborate with team members to ensure schedules, budgets and quality control standards are achieved

What You'll Bring

- Diploma in Geomatics and/or CAD from an accredited institution
- Prior related experience in a drafting role with 6+ years' experience
- Proficiency in AutoCAD Civil 3D Software is required; knowledge and experience with CAD/Mapping/GIS software is an asset
- Ability to work independently and within a busy, high-performing, deadline-oriented team
- Good written and verbal communication skills, attention to detail, good attendance, sound judgment skills, and general computer knowledge.

What Can We Offer You?

- Great benefits, including extended health & dental coverage, healthcare spending account, & RRSP matching.
- Maternity leave top-up and parental leave.
- Competitive salary and participation in our generous Performance Bonus Plan.
- Financial assistance with relocation if applicable.
- A workplace culture that is characterized by respect and inclusion for all.
- Continuous support for your professional development and growth.
- Employee and Family assistance program, which offers 24/7 support for all employees and their families either online or over the phone.

About McElhanney

Based in Western Canada for over 100 years, McElhanney offers innovative and practical engineering, surveying, mapping, planning, landscape architecture, and environmental services.
