

CAREER OPPORTUNITY

POSITION TITLE Land Surveyor in Training

STATUS Permanent, Full Time

LOCATION Kelowna, BC

The Opportunity:

McElhanney is looking for a Land Surveyor in Training for our Kelowna, BC office to manage land development and infrastructure projects, utility right of way surveys, topographic surveys, construction and engineering layout, surveys on provincial and First Nations lands, and to provide advice to clients.

This is a fantastic opportunity for an enthusiastic new graduate looking to kick start their career in geomatics. The successful individual will undergo training and mentorship under the experienced guidance of a senior land surveyor to further develop their project management and technical skills.

What You'll Be Doing:

- Working in a team setting to establish project scope, budget and schedule, and other project or client expectations
- Leading survey crews on projects; communicating scope and scheduling information to crew members
- Managing project budgets and financial reporting
- Managing various survey project types including statutory surveys including land development (subdivisions) and infrastructure, topographic, engineering and construction layout
- Liaising with both internal (*McElhanney*) and external Project Managers and clients
- Managing information flow from field to final deliverables
- Ensuring quality assurance procedures are carried out for proposals, field returns, drawings, legal plans, documents, and other deliverables
- Providing advice to clients on property and legal survey matters
- Other duties as required.

What You'll Bring:

- Registered Land Surveyor in Training or eligibility to register
- Two-year technical diploma in Geomatics and previous experience in a similar role
- Proficiency in computer applications (MSCAD and GNSS processing software at minimum)
- Ability to travel out of town for periods of time
- Must possess and maintain a valid driver's license and clean driving record

- Physical ability to work in mountainous/forested/coastal terrain and remote areas
- Good written and verbal communication skills, attention to detail, good attendance, sound judgment skills, and general computer knowledge.

This role is designated as a [safety sensitive](#) position.

What Can We Offer You?

- Great benefits, including extended health & dental coverage, healthcare spending account, & RRSP matching
- Maternity leave top-up and parental leave
- Competitive salary and participation in our generous Performance Bonus Plan
- Financial assistance with relocation if applicable
- A workplace culture that is characterized by respect and inclusion for all
- Continuous support for your professional development and growth
- Employee and Family assistance program, which offers 24/7 support for all employees and their families either online or over the phone
