What You'll Be Doing:

- Set-up and operation of conventional survey and GPS equipment.
- Follow directives received from Field Supervisor or Party Chief to assist survey team.
- Prepare accurate field notes, when required.
- Clean and maintain equipment, maintain supplies, stock company vehicle, and ensure necessary physical resources are available in the field, with minimal supervision.
- May be required to use tools and equipment such as chainsaw, axe, sledgehammer, shovel, metal detector and survey tripod in order to complete assigned tasks.
- May be required to use hand and power tools to clear line quickly and efficiently.

What You'll Bring:

- A high school diploma; technical diploma and previous experience is an asset but not required.
- Physical ability to lift heavy equipment.
- Willingness to work in varied environmental conditions, including wildlife populated areas and in remote areas for extended periods and varied hours.
- Must possess and maintain a valid driver's license with a clean driving record.

- Ability to travel out of town for up to three-week periods.
- Good written and verbal communication skills, and general computer knowledge.
- Pre-employment drug and alcohol and fitness for work testing is required.

What Can We Offer You?

- Flexible work hours to accommodate your busy lifestyle
- Employee & Family assistance program, which offers 24/7 support online or over the phone
- A workplace culture that is characterized by respect and inclusion for all
- Competitive salary, participation in our generous performance bonus plan, and opportunity to join an employee-owned firm
- Financial assistance to support your relocation
- Continuous support for your growth through professional development reimbursement, mentorship programs, and opportunity to join numerous internal committees.
